ANGLO-SAXONS 8. THE VIKINGS	look at what le Big Bang! On Tuesday 1st		Educational visit:
THE REAL POST	and the second second	<u>Our Learning Overview</u>	
		~	<u>Key Texts</u>
Γ	English	In writing, children will be exploring historical tales and writing a "defeating the monster" story. Using the Talk4Writing approach, they will develop their focus on vocabulary and sentence structures to make their writing more interesting and enjoyable to read.	ATTACK
Eriend or Foe2	Maths	In maths, we are developing our fluency and reasoning in measurement, (area) as well as multiplication and division.	VIKINGS
	Science	In science, we will be exploring the concept of electricity. We will further our knowledge of where it comes from, how it may or may not be sustainable and we will be creating our very own electrical circuit boards.	
	History	In history, we will be exploring the Vikings and Anglo-Saxons. We will be focusing on where they originated from, why they came to settle in Britain and their influence on how we live today.	CRESSIDA COWELI
	<u>DT</u>	In this unit the children will learn about electrical circuits, developing their understanding of how simple circuits including switches, bulbs and batteries work. They will analyse different battery-operated products before designing and making their own nightlight or torch.	DRAGON
	RE	In RE, we will continue learning about what it means to be a Hindu in Britain today.	CON.
	Computing	In computing, we will be learning about encryption. We will be designing, writing and debugging programs.
