

Nursery- Who put the colours in the rainbow?

Topic Overview

In Autumn 2, students will be more settled to the routines and structure of nursery. They will continue to form friendships and understand the behavioural expectations of nursery. We will continue to encourage them to speak in full sentences whilst exploring our topic of 'Colours'.

Big Bang Day!

Children can dress in colours to celebrate our 'colours' topic.

Educational visit:

Our Learning Overview

Who put the colours in the rainbow?

Literacy

During Autumn 2, Nursery will be focusing on rhythm and rhyme. We will also continue focusing on phase 1 phonics.

Maths

In Maths, Nursery will continue focusing on number. We will be exploring matching amounts and start to explore 3D shapes.

Understanding the world

Nursery will continue looking at the seasonal changes as we move through autumn to winter. We will be exploring colours within celebrations and festivals.

Communication and language

During continuous provision, children will continue to have the opportunity to use talk in pretending the objects stand for something else in their play, e.g. this box is my castle. During this half term the main focus in nursery will be practising to speak in full sentences.

Expressive arts and design

This half term, Nursery will be exploring colour mixing. During continuous provision children will be able to create their own colours while exploring the prime colours.

PSED

During this half term, children will be able to take turns and share resources, using the sand timer as an aid.
Nursery will continue to keep their promise 'To keep my hands and feet to myself and to use kind words'.

Physical development

During this half term, we will continue focusing on the importance of washing our hands regularly. Children will be practising how to use resources with control and safely. We will also be practising to put on our coats independently.
