

# NORTHUMBERLAND HEATH PRIMARY NEWSLETTER

Dear Parents and Carers,

What a glorious week of warm weather we have had! Summer is well and truly here! The weather looks to remain the same for the foreseeable, so please remember to send your child in with a hat, sun cream applied and water. We have bought some gazebos to give children some extra shade whilst they are outside.

Year 6 had their residential to Kingswood this week where they were able to make some amazing memories! They had a great time but came back very tired! Thank you to all the staff who took time out of their own family lives to take the children, without them, the trip would not have been able to go ahead. The rest of year 6 had a great time at Greenwich Park, did some baking and went swimming.

Whitebeam, Maple and Spruce had their local trip to the library where they were able to choose books and fully immerse themselves in the vast number of books. A good local trip for the children. Years 5 & 6 also had a cyber crime talk on Friday afternoon with PC Ryan which was insightful for our young children where social media is so prominent.

Have a great weekend

Ms Indresano & the Northumberland Heath Primary School Team

# INCLUSION TEAM

Gail & Sue

Mrs Beale is the Deputy Head for Inclusion and works very closely with Mrs Clarke who is our SENDCo. Should you need anything relating to wellbeing or additional needs, they are here to support you. Please look out for the newsletter in two weeks time where you will see examples of the interventions which are taking place in school.

Mrs Tebble

Mrs Tebble is our Senior wellbeing coach who offers a range of therapeutic interventions for our children to access. These include; Talking and drawing, Lego therapy, Social skills and 1:1 interventions for children as needed.

Miss A

Miss Ahaouari is our wellbeing coach who supports children who need social and emotional support. She also works closely with Treacle, our wellbeing dog. Treacle supports children who find it difficult to come into school, who need movement breaks and even listens to some children read!

Mrs Black

Mrs Black is our Speech and language intervention teaching assistant. She works closely with the Oxleas SALT team and class teachers, supporting children according to their plan, assessing their progress and developing strategies to meet their needs.

# Inside the classroom

This week Year 2 have been using their laptops during their writing lessons to record their sentences for instructions, on how to do a Sack race.

This is a great inclusive activity for everyone in the class to get involved with and encourage learning to take place. It is also a fun way to capture their ideas, which they have then used in another lesson to help write their instructions out step by step

Year 1 have been looking at inclusion in our classroom, our class reader has been What is racism?, it has opened questions about making sure everyone is included and should be able to access everything we do. The children enjoy circle time and we played circle games where we had to work as a team making sure everyone was part of the activity and having fun.

## KINGSWOOD TRIP

The Year 6 children are back from Kingswood. They enjoyed many activities like archery, Jacob's Ladder, Leap of Faith, mini beast hunt and more!

They also had fun around the campfire, and finished the trip with a disco.
