

# NORTHUMBERLAND HEATH PRIMARY NEWSLETTER

Dear Parents and Carers,

It has been a busy week in school this week as we strive to continue our journey to excellence.

Perform held a workshop with year 4 focused on states of matter as they delved into their topic Marvellous Medicine. We have introduced the Golden Book to children, whereby they are invited to share a piece of excellent learning that they have worked hard on and are proud of and be entered into the book. They also have their name added to a star which is proudly displayed in an area of the school for the whole school to celebrate each other.

We also have a new board for our attendance stars to shine! Well done to these classes.

As we observe Parent Mental Health Day today, we do hope some of you were able to attend the free webinar held yesterday by the charity Stem4 and that you found the tips given useful.

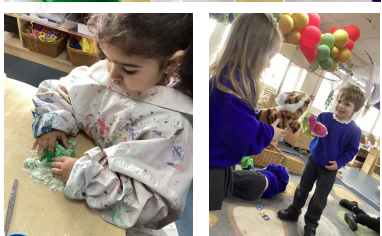

You will have received our communication regarding the planned strike for next Wednesday 1st February and that our school will be closed to children. The letter provides ideas on how you can support your child at home on that day.

The strike also means that our Stay and Read session for next week with Beech class will be cancelled. We will communicate an alternative time for you to come in.

Please be reminded that children should not bring toys or collectables into school. This includes Pokémon cards, football cards and fidget toys. If your child has an identified educational need and a fidget toy is agreed with the school, then this is of course acceptable. We also ask you to remind your child that chewing gum is not allowed in school.

Thank you for your support and time.

The team at Northumberland Heath Primary School

We won the Gold Award for active and safer travel initiatives, well done to everyone who walks or cycles to school.
