

# NORTHUMBERLAND HEATH PRIMARY NEWSLETTER

Dear Parents/Carers,

As I write this final newsletter for the end of the term I have been reflecting on all of the positive steps forward that the school team of children, staff and parents have taken. It has certainly been a busy term and the one ahead has more plans ready to ensure that we strive forwards in the journey to excellence.

Over the past term we have welcomed in a wide range of workshops supporting children across the school – anti-racism, wellbeing, Perform have supported curriculum development as well as Time Capsule to name a few. Looking ahead to the summer term we have booked in more workshops to enhance your child/ren’s experiences and learning which we look forward to sharing with you.

In particular, we have focused primarily on our journey to improvement with regard to behaviour and I am pleased to share that the data supports the journey we have undertaken with a significant decrease in the number of behaviour incidents that are reported. We know and recognise that the journey still has a way to go but with all of the steps we have taken we are confident that we will go from strength to strength. These improvements come with a thank you to everyone involved – to the children, staff, parents and carers.

Included within the newsletter this week we have set out some events/meetings that are planned to take place – please check our website, twitter and Facebook pages for details and updates.

This week has ended with our recognition of the Easter break with EYFS and KS1 displaying their Easter bonnets and hats – it was a pleasure to see everybody’s efforts. Well done to all of the children involved. Finally, in UKS2, the children thoroughly enjoyed creating their documentaries. The winners will be given chocolate eggs!

Once again, thank you for your continued support.

On behalf of the school team, we wish you a happy and healthy Easter break and look forward to seeing you in two weeks’ time.

Best regards,

Miss C Ingrams & the Northumberland Heath Primary Team

## Notice to parents/carers – Pokemon & Football Cards

We continue to see children bringing their much loved cards into the school. These are not permitted in school as they can lead to arguments between groups of children as well as upset if they go missing. Please support us by checking that your child does not have any cards with them when they come into school each day.
